(total 15%) in calculation

The EPSON Intellidge™ ink system is designed to work perfectly in harmony with the printer and your choice of media to ensure you get:

- the very best of print quality every print, every time
- and trouble-free, peace-of-mind printing every print, every time

The EPSON Intellidge ink system brings maximum benefits, maximum ink usage and the interchange ink system gives you easy-to-see, always available information about all your ink levels.

This printer is designed to be used only with Genuine EPSON Intellidge ink cartridges

Intellidge ink cartridges are not designed for refill.

It's now easier for you to identify Genuine EPSON cartridges. EPSON is gradually replacing the current hologram with the new anti-counterfeit Color Shifting Label.
